THROUGHOUT THIS YEAR
WE HONOR A SPECIAL LEADER AND FRIEND
PETER (PETE) DANIEL BECKER

(1969 – 2021)

This past December a fatal heart attack took the life of an LSA volunteer and friend, Pete Becker. Pete, the son of Peter and Elizabeth Becker, grew up in Forest Park, IL and attended St. John's Lutheran School in his grade school years, while graduating from Walther Lutheran High School in 1987.

He attended Concordia University in River Forest, IL, where he played baseball for the Cougars, enjoyed competitive games of euchre with his friends, earned a bachelor's degree in Communication-Sports Broadcast in 1991, and served as the school's Director of Auxiliary Services & Contract Management from 1995 until his death.

His loves were attending Green Bay Packer football games as well as annual visits to the College World Series in Omaha, especially with his daughter Brittany.

In 2002 the LSA came to Concordia University in River Forest to host its Grade School Track & Field Championships, which began a successful relationship between both organizations. Pete's efforts in coordinating the use of the school's facilities were invaluable in making things run smoothly throughout the event.

Pete spent many years serving his church and the university as a man of faith in Jesus Christ as his Savior. We feel richly blessed to have known him as a leader and friend, and we are sincerely thankful for his years of service to the LSA and our Lord.

Friends and Members in Christ:

WELCOME TO STATE 2022– ANOTHER LSA FELLOWSHIP CELEBRATION!

On behalf of all your fellow Lutheran schools, your LSA Board of Directors, the STATE Basketball and Cheerleading committees and all your hosts, it is our pleasure to welcome you to the 37th annual LSA Basketball Tournament of Champions and State Cheerleading Competition. If you are taking part in a STATE event for the first time, we extend a special welcome to you. And if you're a STATE veteran, we hope that this weekend brings back memories of past STATE excitement since 1975.

Last fall, more than 200 boys' and girls' basketball teams began their seasons with the goal of reaching STATE... and the 32 championship teams here this weekend have realized that dream. Each invitation to STATE is a trophy in itself – the participating teams have already won championships and some had to survive one of three play-in games last week to trim the field to our two Sweet Sixteen brackets. You should be extremely proud of your group of Christian young people and be excited about being tested against the “rest of the best”.

A weekend of this magnitude requires a tremendous amount of work. We are indebted to more than 350 fabulous volunteer workers from all over the Midwest and our terrific host schools – St. Peter, Trinity, Immanuel, St. John's , and Concordia University– for their extraordinary effort and their tireless work. We also thank our Play-in hosts for their great efforts on such short notice.

Exciting competition should be the rule this weekend. But as Christians, we hope that you will all take part in and remember the weekend's entire celebration.

As always, we've planned STATE 2022 to be a FELLOWSHIP HAPPENING for the whole family in all areas of Christian life. This year's “STATE Weekend Experience” includes the basketball and cheerleading competition... STATE Worship led by Rev. Matt Conrad Yorkville – Cross Lutheran Church and Music by East Dundee Immanuel Praise Group life in our “living Christian community” in the hotels.... And you thought you came just for the games!

CELEBRATE IN FELLOWSHIP! Enjoy the weekend... Praise the Lord!

Dear Players, Coaches, and Fans,

What a year it has been! Congratulations, you have made it to the Illinois Lutheran Grade School STATE 2022 Basketball Tournament. We here at Trinity would like to welcome you to the tournament, our area, and our school. It is a great honor to be a part of this tournament. We pray that your time here is enjoyable, uplifting and memorable. Please let our staff and volunteers know if there is anything we can do to assist you.

It is a true blessing to see young people with such incredible talents and abilities. This tournament allows for students to use their God-given talents, family and friends to uplift and encourage all involved through Christian example. We pray for the athletes, coaches, and officials as they seek to give honor to God. We pray for family and friends as they show respect and honor to other competitors, officials, and volunteers. May all we do and say today honor God in every way.

We hope that your time here at the Illinois State Tournament is exciting and blessed. May God watch over you as you are with us this weekend, and as you travel home again.

Attitude of Gratitude

In your relationship with one another, have the same mindset as Christ Jesus. Philippians 2:5

Dear players, coaches, cheerleaders and fans:

I would like to welcome you to St. John's. We consider it a privilege to host games throughout the weekend at our site. We are proud of our school as I am sure you are proud of yours.

This year our school theme is an "Attitude of Gratitude". We certainly are grateful for all the things that God has blessed us with. We are grateful for being in school full time this year, for dedicated teachers, dedicated parents, and for all the students that God has placed in our care.

This year we are grateful for a full basketball season and the opportunity for athletes around our state to be able to participate in the Lutheran Sports Association's State Tournament. My prayer for all of you is to enjoy the weekend, stay safe, and cheer on your team with a Christ like attitude.

God's Blessings on your weekend,

Thomas C. Kalal
Principal

March 2022

Grace and peace to you, from our Lord and Savior, Jesus Christ!

It is my privilege to welcome all coaches, players, and fans to Immanuel Lutheran Church and School, here in Crystal Lake! Congratulations to all of teams that have earned a berth in the 2022 Lutheran School Athletics State Basketball Tournament. What a fantastic opportunity and experience, which was earned through their hard work and dedication!

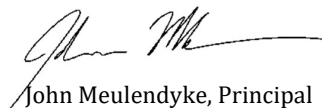

As a host school, we hope for your experience to be filled with the richness of God's blessings and full of memories for your families! To make your time here easier, please do not hesitate to ask an Immanuel volunteer if you are in need of any assistance.

We have prayed for the safety of all those who are traveling and playing. In addition, we send prayers that all involved, whether it is as fans, players, coaches, or referees, may glorify God in their thoughts, words, and deeds. Immanuel is thankful for all of the volunteers that make each team, game during the season, and this State Tournament such a success!

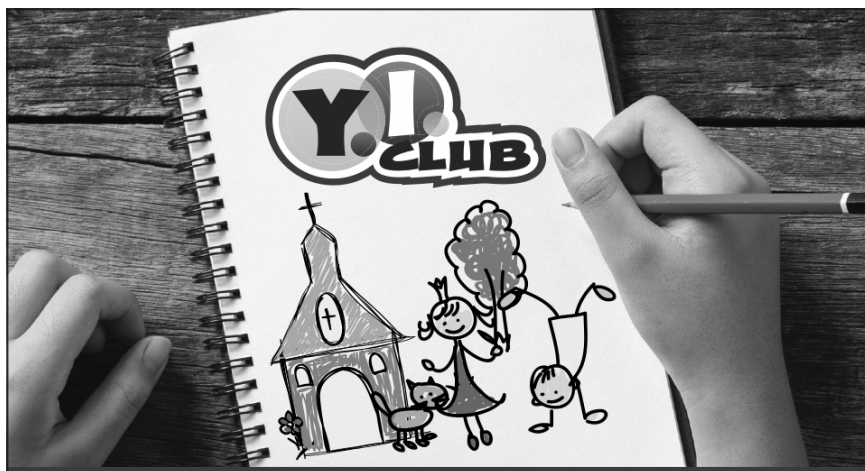

The LSA State Tournament is an opportunity for our athletes to celebrate their time together with a weekend of fun and high-level competition. May the all teams understand Christ's intention for fellowship in the way they compete and in the experiences they have this weekend.

Whatever you do, work at it with all your heart, as working for the Lord, not for men, since you know that you will receive an inheritance from the Lord as a reward. It is Christ you are serving. –Colossians 3:23-24

Where Are the Officials From?

The Lutheran Sports Association is proud to have officials from all over the state of Illinois working the games this weekend. Many of these officials have been involved in this tournament for many years and continue to hold this event in high regard.

My Friends,

Congratulations!

The very fact that you are reading this means that you have put in a whole bunch of effort to get to the point where you are part of the LSA Tournament. Well done!

God's Word promises that we can do all things through Christ who gives us strength (Philippians 4:13), and that includes our efforts on the court. While that doesn't guarantee a victory, it assures us that God is with us, granting us the strength we need to honor Him in all that we do.

So...play hard. Do your best. God will take care of the rest!

We're glad you are here!

Fully Alive in Christ,
Rev. Micah Greiner
Lead Pastor

STATE SPORTSMANSHIP

Your Board of Directors continually monitors sportsmanship trends both in our leagues and nationally. It is tragic that, especially in leagues and tournaments in our country, some people have given up on sportsmanship. We assure you that this is not the case in the LSA!

Your association reminds all of us ... players ... coaches ... fans ... volunteers ... and administrators ... that good manners and Christian behavior are expected to be shown at all times. It is not the State Committee's job to assure control - IT IS YOURS! In October, 1994, your Board of Directors adopted the following additions to our rules for all sports - and your principals have signed their teams' applications acknowledging compliance. These additions are:

For each school ...rules 10.01 and 10.02

The Principal, and the Principal's designees, shall be responsible to the LSA and STATE hosts for matters pertaining to all athletic and non-athletic activities of their school at the STATE tournament. In addition, they shall be responsible to ensure that their school is properly represented at all STATE events and shall be responsible for the conduct of their participants and other persons from their school, including spectators. Coaches, managers and team captains shall also be responsible for team conduct both on and off the playing court.

It is the clear obligation of students, school staff, boards of education and all other official representatives of participating schools to practice and promote the highest principles of Christian behavior, sportsmanship and ethics of competition. It is also their obligation to maintain proper crowd control at all STATE activities. The LSA, its directors, volunteers, host schools, tournament sites and tournament officials shall have no responsibility for crowd control nor of the actions of school representatives, including spectators. The Board of Directors shall have full authority over all schools, their representatives and spectators and shall have full authority, at its sole discretion, to penalize any school, any of whose representatives or spectators may be adjudged upon competent evidence to have violated these obligations.

**May we all remember that we are all God's people.... and the reason for
Christian competition**

TEAM SPORTSMANSHIP AWARD

Excellent sportsmanship on the part of all participants -- players, coaches, cheerleaders and fans - is assumed at STATE events and it could easily be possible to award 32 sportsmanship awards.

However, to honor the "best of the best", a grading system is used. In each game, each official and a member of the basketball committee or a member of the Board of Directors grades both teams involved on Christian fellowship, attitude and a sense of fair play.

The team in each division that best exemplifies the true spirit of Christian fellowship and sportsmanship is honored by the presentation of the STATE Sportsmanship Award.

ALL-TOURNAMENT TEAM

It is never an easy task to select fifteen players from the almost 250 players from sixteen teams in each division of the best teams in Illinois.

One member from the basketball committee or a member of the Board of Directors selects two or three players from each team. Each player is given a rating based on their individual talents (such as shooting, rebounding, assists and defense), value to the team (including leadership and a sense of fair and team play), and to the tournament overall (including Christian fellowship, attitude and sportsmanship). One of the players will be selected as the game MVP.

The ballots are weighted on the theory that a vote in the championship game is more significant than in, for instance, an opening round game. In addition, because some players will play in more games than others, the weighted votes are divided by the number of games played.

Fifteen players will be selected from the field of participants in the tournament. From one of the fifteen, the basketball committee and Board members will select the Most Valuable Player.

2022 IMMANUEL LUTHERAN PALATINE BOBCATS

Ashley, Grace C., Riley, Jojo, Cami, Grace, Maggy,
Anja, Kathy, Mikayla, Gracie, Yianna, and Chloe

But blessed is the one who trusts in the LORD, whose confidence is in Him. They will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit. Jeremiah 17:7-8

Anja and Chloe,
your toughness through
adversity, your dedication, and
your positive but competitive
spirits will take you so far. We're
grateful to have been a part of
your journey and we're looking
forward to all of the success you
both will have in the future.
Once a Bobcat, Always a Bobcat.
We love you!

Do it for the kids...

Your LSA volunteers are trying hard to make Christ-centered sports a great experience for the Lord's young people. But to manage our year-round program, we need your help!

We can put your talents... whatever they are... to work in helping to make your STATE program a success!

Your LSA needs people to serve at all levels of commitment...

From Event Volunteers
To Committee Members
To Program Coordinators
To members of the Board of Directors.

We currently need leaders with talents in:

General Management
Commercial art/Graphics Design
Printing and Publication Layout
Writing/Copyrighting
Computer Analysis/Programming
Marketing and Sales

Please speak to any Director this weekend to discuss the many opportunities available

OUR MISSION IS TO ...

AID . . . Lutheran congregations and schools in the organization, administration, operation and funding of athletic programs within their congregations.

EXPAND . . . the opportunities of Lutheran athletic teams to participate in regional, statewide and national competition.

HELP . . . standardize rules and regulations of athletic leagues and tournaments throughout Illinois.

PROVIDE . . . greater opportunity for Lutherans to worship, share ideas, grow in understanding, have fellowship with each other and participate in Christian athletic activities.

BE A PART OF IT ALL!

If you believe in Christian recreation, make sure that you are a part of the action!

Support local fellowship by encouraging, attending, volunteering for and participating in your school and congregation recreation programs. And become a part of the LSA fellowship experience by joining us in our efforts.

Attend the regional and STATE tournaments, which are held throughout Illinois.

Volunteer your time and talents by offering to be an LSA committee chairman or member, tournament or activity worker or area representative.

And, there are many other ways to help serve the young Christians of Illinois through the LSA, such as advertising and custom-designed ***Corporate Support*** programs.

We offer you an exciting time, some work, our appreciation and a tremendous feeling of pride in helping to make the LSA dream a reality
